

PAUL, TAMAL

PERSONAL PROFILE

I'm a hard-working, quick learner, focused, innovative, friendly, organized, and easy to work with fresh B.Sc graduate with good programming language skills. I possess strong coding and analytical skills and I am capable of designing, developing, and maintaining complex web applications. Along with my expertise in malware analysis, particularly Springonion, I have gained hands-on experience with Visual Studio, SQL Server, and GitHub. I am now seeking an opportunity to apply my skills and knowledge in a challenging role where I can contribute to the success of a dynamic organization while growing my career as a Software Developer.
